Equine Ophthalmologist, Tillysburg Equine Clinic, Austria

Bettina Dunkel DVM, PhD, Dipl.ACVIM, Dipl.ECEIM, Dipl.ACVECC, FHEA, MRCVS

American & European Specialist in Veterinary Internal Medicine / American Specialist in Emergency & Critical Care

Royal Veterinary College, London, United Kingdom

PROGRAM:

Saturday 18. January

Arrival of the Attendees & Speakers

8.00 – 8.30 pm

Course Introduction

Sunday 19. January

6:00 – 7:00 am

Leisurely Breakfast

7:00 – 8:00 am

Orthopaedics & Diagnostic Imaging

Practical Approaches to Lameness Localization & Diagnostic Decision Making

8:00 – 9:00 am

Non-Biologic Chondroprotective Therapies

Ophthalmology

The Mystery of Equine Uveitis

9:00 – 3:30 pm

Skiing, Snowboarding & Alternative Outdoor Activities

Silvretta Arena, Tyrol: Ischgl / Samnaun & Paznaun

3:00 – 4:00 pm

Powder Happy Hour

Diagnostic Imaging

4:00 – 5:00 pm

Ultrasound & X-ray of the Foot and Pastern

5:00 – 6:00 pm

6:00 – 7:00 pm

Standing CT of the Distal Limb

Ophthalmology

Corneal Diseases – Overview on Pathophysiology, Diagnostics & Treatments

Ophthalmologic Applications of Stem Cells: Specific Focus on Corneal Wound Healing & Immune-Mediated Keratitis

7:00 pm...

Wining & Dining

Monday 20. January

6:00 – 7:00 am

Leisurely Breakfast

7:00 – 8:00 am

Imaging-Guided Injection Techniques

Ultrasound- & X-Ray-Guided Injections and Procedures

8:00 – 9:00 am

Ophthalmology

An Overview on Diagnostics & Treatment of Immune-Mediated Ocular Diseases – an international Review

9:00 – 3:30 pm

Skiing, Snowboarding & Alternative Outdoor Activities

Silvretta Arena, Tyrol: Ischgl / Samnaun & Paznaun

3:00 – 4:00 pm

Powder Happy Hour

Regenerative Orthopaedic Strategies

4:00 – 5:30 pm

Regenerative Strategies for Equine Tendon & Ligament Injuries

5:30 – 7:00 pm

Regenerative Strategies for Intra-Articular Diseases & Injuries

Ophthalmology & Diagnostic Imaging of the Head

Equine Vision – How do Horses see in comparison to People?

Head Imaging – Ultrasound, X-Ray & CT

7:00 pm...

Wining & Dining

Tuesday 21. January

6:00 – 7:00 am

Leisurely Breakfast

Orthopaedic Diagnostics

7:00 – 8:00 am Correlation between Blocking Results & Common Injuries of the Distal Limb

8:00 – 9:00 am Tarsal Radiography & Suspensory Ligament Ultrasound

Orthopaedic & Medical Emergencies

Advances in the Diagnosis & Treatment of Septic Synovial Structures

9:00 – 3:30 pm

Skiing, Snowboarding & Alternative Outdoor Activities

Silvretta Arena, Tyrol: Ischgl / Samnaun & Paznaun

3:00 – 4:00 pm

Powder Happy Hour

Orthopaedic Rehabilitation

4:00 – 5:00 pm How Imaging Correlates to Prognosis, Rehabilitation & Return to Work

5:00 – 6:00 pm Core Principles of Rehabilitation for Equine Athletes

6:00 – 7:00 pm Frontiers in Athletic Rehabilitation: What is Translatable to the Horse...

Emergency Medicine & Critical Care I

Respiratory Emergencies

Transfusion Medicine

Critical Care of the Sick Horse

7:00 pm...

Wining & Dining

Wednesday 22. January

6:00 – 7:00 am

Leisurely Breakfast

Orthopaedic Diagnostics

7:00 – 8:00 am Correlation between Stifle Radiology & Ultrasound

8:00 – 9:00 am

Emergency Medicine & Critical Care II

Muscular Compartment Syndrome in the Horse

Iatrogenic Emergencies

9:00 – 3:30 pm

Skiing, Snowboarding & Alternative Outdoor Activities

Silvretta Arena, Tyrol: Ischgl / Samnaun & Paznaun

3:00 – 4:00 pm

Powder Happy Hour

Problems of the Axial Skeleton

4:00 – 5:00 pm Evaluation of Poor Performance in the Sport Horse – Axial Skeleton

5:00 – 6:00 pm Cervical Radiography & Ultrasound

6:00 – 7:00 pm How to Get a Horse with Back Pain Back to Work

Foal Medicine / Pre- & Probiotics

Essential Guide to the Neonatal Foal

Respiratory Diseases in Foals

Pre- & Probiotics - What's the Evidence

7:00 pm...

Wining & Dining

Thursday 23. January

Hotel Check-Out / Skiing & Other Outdoor Activities / Return Journey
