

## Equine Ultrasound-Guided Orthopaedic Injection Techniques & Therapies – A 2-Day Practical Course

**COURSE DATE:** Fri 23 - Sat 24 October 2026    **COURSE VENUE:** Pool House Equine Clinic, near Brimingham, UK

### **SPEAKERS / INSTRUCTORS:**

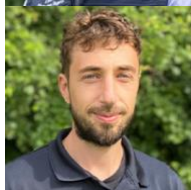

**Roger Smith MA, VetMB, PhD, FHEA, DEO, Dipl.ECVS, Dipl.ECVSMR, ECVDIAssoc., FRCVS**

*European Specialist in Equine Surgery, Sports Medicine & Rehabilitation*  
Professor of Equine Orthopaedics, Royal Veterinary College, London, England

**David Stack MVB, MSc, DVMS, FHEA, Dipl.ECVS, MRCVS**

*European Specialist in Equine Surgery*  
Philip Leverhulme Equine Hospital, University of Liverpool, Wirral, England

**Marco Marcatili CertAVP, Dipl.ECVS, MRCVS**

*European Specialist in Equine Surgery*  
Pool House Equine Clinic, Birmingham, England

### **PROGRAM:**

#### **DAY 1**

|                      |                                                                                                    |             |
|----------------------|----------------------------------------------------------------------------------------------------|-------------|
| <b>08:30 – 08:50</b> | <i>Registration</i>                                                                                |             |
| <b>08:50 – 09:00</b> | Course Introduction                                                                                |             |
| <b>09:00 – 09:30</b> | How to Get the Most out of your Ultrasound Machine                                                 | Roger Smith |
| <b>09:30 – 10:00</b> | Principles of Ultrasound-Guidance                                                                  | David Stack |
| <b>10:00 – 10:45</b> | Ultrasound-Guided Tendon, Ligament & Navicular Bursa Injections                                    | Roger Smith |
| <b>10:45 – 11:00</b> | Questions                                                                                          |             |
| <b>11:00 – 11:30</b> | <i>Coffee Break</i>                                                                                |             |
| <b>11:30 – 12:00</b> | Ultrasound-Guided Upper Forelimb Injections<br>(shoulder bicipital bursa and elbow, carpal sheath) | David Stack |
| <b>12:30 – 12:30</b> | Ultrasound-Guided Upper Hindlimb Injections<br>(stifle, hip and tarsal sheath)                     | David Stack |
| <b>12:30 – 13:00</b> | Ultrasound-Guided Back Injections                                                                  | David Stack |
| <b>13:00 – 13:10</b> | Questions                                                                                          |             |
| <b>13:10 – 14:00</b> | <i>Lunch</i>                                                                                       |             |

## Equine Ultrasound-Guided Orthopaedic Injection Techniques & Therapies – A 2-Day Practical Course

### DAY 1 (continued)

|                      |                                                                                                                                                                                                                                                                                                                            |                                               |
