Attendee / Panelist Feedback

"I do want to congratulate VetPD on its professional Online Learning Center. I am aware of how challenging it is to assemble good-quality CE material online. Based on how far and wide the participants signed in from, VetPD is clearly known for doing a great job!"

- Prof. Margo Macpherson –
University of Florida, USA

"VetPD is the Gold-Standard by which every other hands-on workshop or online continuing education organised by any group worldwide, should be measured. I have not come across any better veterinary continuing education than VetPD's!"

- Dr. Ben Chilvers – Priors Farm
Equine Surgery, UK

"Having worked as a general small animal practitioner, emergency clinician/criticalist, and radiologist for over two decades, I can unequivocally say that VetPD's Panel Discussions offer the highest quality continuing education to veterinarians at all levels. VetPD provides unmatched access to leaders of the profession combining evidence-based medicine with pragmatic clinical approaches and expert opinions. I highly recommend VetPD and its offerings to veterinarians of all levels and stages of their professional development!"

- Chris Piscitelli DVM, MS, DACVECC,
DACVR - USA
